Comments from 2009 Program Attendees:

- “Excellent meeting format should be a model for all meetings. Very engaging.”
- “This is definitely one of the best made courses I’ve ever attended. Will definitely come back.”
- “Fabulous, current, proactive, relevant, actionable, loved the pro/con bantering, thumb drive copy excellent idea. Evening events extremely personal – networking was great.”
- “A superb conference with global thought and practice leaders. It was very comprehensive, well coordinated & fun.”
- “One of the best valve meetings I have ever been to.”

The 2009 Dallas-Leipzig Valve attracted more than 500 attendees from 15 countries. Join us December 2010 for more interaction, hands-on experiences, and opportunities for you.
